

## BKS BASIC ORIENTATION SHEET

1. Clubhouse –Bathrooms, 1<sup>st</sup> Aid Kit, Basic Info, when clubhouse is open and closed. Discuss ammo sales and shotshell reloading components.

A. Outside box with Rifle/Pistol information

B. Address sign, GPS information

C. Sundays, specialty shoots, range closers

D. Information for shoots via email, club flyers, club calendar and web site [bkssportsmensclub.com](http://bkssportsmensclub.com)

E. Orientations are being standardized and can be given by BOD members, approved members and RSO's with the Orientation tag on their RSO Badge

2. North & East Trap Houses—Legal trap loads/Shells (2  $\frac{3}{4}$ -7  $\frac{1}{2}$ ) allowed on the Trap Range.

A. Stay away from the front of the trap house if it is open

B. If a cone is on top of the roof then someone is inside and the trap area is closed to shooting

C. If the East trap is being used there is no shooting on the Rifle/Pistol range

D. If youth groups are active then the Rifle/Pistol range is closed to live fire. Dry fire or non-firing training may be allowed

E. If people are using the Rifle/Pistol range and the North trap area, then, both parties need to be aware of Safety Issues and indulge in safe shooting practices

F. Inform that members, the Wednesday group for example, may be shooting so all parties need to understand safe shooting practices

### 3. Rifle/Pistol Range

A. Show and explain Men Working Range Closed and No Shooting signs

B. Basic Site rules

C. Cash box/daily fee per person and where/how to pay

D. Additional rules and regulations posted at the Rifle/Pistol shooting area

E. Smoking area and butt can, No eating or drinking on the firing line per NRA hygiene information. No food in the trash can as the wild animals get into the trash

F. No Eyes, No Ears, No Shoot

G. Explain No Firearm Handling When People Are Down Range

H. One Gun, One Magazine/Ammo on the firing line while shooting

I. No shooting beyond the bench unless you have an issued tag to do so, LEO or Parole & Probation, BKS RSO or in a class or workshop. This means that YOU DO NOT SHOOT IN THE OPEN AREA BUT SHOOT AT THE BENCHES OR TABLE AT TARGETS IN THE OPEN AREA, BACKSTOP OR STEEL TARGET TRAP

J. Storage unit access to trap and portable target holders to approved members with additional Range Safety Orientation

K. No Trap Loads to be shot on the Rifle/Pistol range except within club functions

L. No shooting shotguns at the target holders. A Judge pistol and such are exempt

M. Know your target and beyond. Check the area prior to shooting. If there is an empty car/truck then walk to the end of the range and yell or ring the archery bell to see where the person is that left the vehicle

N. Dispose of your dud/defective or odd ammo in the Dud Ammo Holder. Ron Quasnick, RSO, is the designated disposal removal person for the club. Members are not allowed to access the Dud locker and do not put your payment money in the Dud locker

O. When multiple shooters at the benches then make sure all muzzles are in line and on one is in front of any muzzles

#### 4. Knife & Hawk Range

A. See a qualified RSO, they will have a K&H tag on their RSO Badge

#### 5. SIRT Range, Switch Indicating Reset Trigger, laser training pistol

A. See a qualified RSO with a SIRT tag on their RSO Badge

#### 6. Archery Range

A. Get a copy of the Archery Range layout at the beginning of the trail. At this time there is only the Trail Walk open, 1/1/17

B. Prior to entering the Archery Range, ring the cowbell to let other people know you are coming down. There is another bell at the bottom and if others are on the range they can ring the bell or yell they are there too. The Range will be expanding and so will the cowbells and you can also YELL, I Am Coming Down

C. Contact a qualified RSO with a letter A on their RSO Badge

#### 7. Tactical Shotgun (TS)

A. Classes are being set up on Sundays prior to regular trap shooting for those that are interested. Basic workshops and then advanced to Rifle/Pistol range will be ongoing from trap loads to buck and slug for additional TS workshops. There will be the

standard shotgun shooters fee and additional fess to the club as target assessment changes.

B. Contact CRSO or an RSO with TS on their Badge

8. Advanced Handgun, 3-Gun shoots, or becoming a BKS Team or another team shooter, contact CRSO or an RSO with ADV on their Badge. Rifle Range ops is coming, you are not forgotten

9. No metal gongs, metal spinning targets, steel plates, steel target holders, etc., will be allowed on the grounds, unless under the supervision/direction of BKS Chief Range Safety Officer

10. No armor piercing, tracer rounds, exploding targets, or incendiary ammo or devises of any kind are permitted

11. Remember that all actions are to be open and exposed when not being fired on the bench or rack

12. If you wish to participate in the advanced workshops you must have electronic ear protection

13. The Chief Range Safety Officer, Range Safety Officers have final say on all matters of Shooting, Safety and Gun Handling at BKS Sportsmen's Club. Any Exceptions or Tags will be thru the CRSO
